- d. Missing documents require a letter from the individual stating reason or the packet will be returned without action.
- e. Any falsification of the eligibility requirements will result in non-consideration for selection, or if selected, individual will be released from the AGR program.

***NOTE: Any documentation missing requires a letter regarding circumstances enclosed in the application packet***

## **5. JOB DESCRIPTION.**

Scheduled servicing of aircraft, preparing aircraft for counterdrug missions, repair of identified faults, remote site maintenance, and aircraft recovery. Personnel work day, evening, and night hours as needed to meet mission requirements. All personnel in CD funded positions are required to assist in conducting anti-drug briefings and other counterdrug duties as required. All counterdrug operations are conducted in accordance with NGR 500-2 and 32 USC 112. This position is ADSW (active duty for special work) and is dependent on availability of funding. The selected individual will be placed on an initial 180 day tour. Orders may be extended depending on job performance and availability of funding.
